Educate Together Membership	The pupil payment to Educate Together is needed to fund the Patron's national office and must be paid by the school based on pupil numbers attending. As an Educate Together school we depend on the support and advice of the patron to manage the school and to remain part of the Educate Together network.	€10
Voluntary Contribution	Each family is asked for a contribution of €100 per year. This can be paid in one instalment or two instalments of €50 each (in September and January). This is a vital fund for every school and it makes up the shortfall between the Department of Education and Skills grants and what it costs to run a school. The contribution helps support special activities, for example, purchase of new equipment, maintaining our new school building and supporting the learning experience of the children in our school.	€100 per family
